Dear Supervisors and Commissioners:

**TERMINATE CONSULTANT DUE TO LACK OF PROPER INSURANCE, APPROVE
CONTRACT WITH A NEW CONSULTANT AND APPROVE ACTIONS FOR
PREPARATION AND SUBMITTAL OF A STATE ENTERPRISE ZONE APPLICATION
FOR UNINCORPORATED FLORENCE-FIRESTONE AND/OR WILLOWBROOK (2)
(3 Vote)**

SUBJECT:

This letter requests that the Board of Commissioners terminate, for lack of required insurance, a contract between the Commission and the consulting group of Tassa Consulting Group, LLC and Snodgrass & Micheli, LLC for State Enterprise Zone application services, and instead award the contract to Jack Faucett Associates. This letter also requests that the Board of Supervisors approve actions related to submission of a State Enterprise Zone application to the California State Department of Housing and Community Development.

IT IS RECOMMENDED THAT THE BOARD OF COMMISSIONERS OF THE COMMUNITY DEVELOPMENT COMMISSION:

1. Find that cancellation of the Contract between the Community Development Commission (Commission) and the consulting team of Tassa Consulting Group, LLC and Snodgrass & Micheli, LLC, and approval of the proposed Contract between the Commission and Jack Faucett Associates (JFA) are not subject to the provisions of the California Environmental Quality Act (CEQA), as described herein, because the actions will not have the potential for causing a significant effect on the environment.
2. Authorize the Executive Director of the Commission to terminate the Contract for Preparation of a State Enterprise Zone Application (Contract) between the Commission and the consulting team of Tassa Consulting Group, LLC and Snodgrass & Micheli, LLC because the firms failed to procure and maintain the insurance required under the Contract.
3. Approve and authorize the Executive Director of the Commission to execute the Contract with JFA, and all related documents, and to use for this purpose up to \$114,259 in Economic Development Funds allocated to the Second Supervisorial District; and authorize the Executive Director to execute amendments to the Contract following approval as to form by County Counsel.
4. Authorize the Executive Director to set aside a contingency of \$15,000 to cover any needed, unforeseen services, using the same source of funds above.

IT IS RECOMMENDED THAT THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES:

1. Find that approval of a Resolution and authorization to submit an application to the State of California to establish unincorporated Florence-Firestone and/or Willowbrook as a State Enterprise Zone are not subject to the provisions of the California Environmental Quality Act (CEQA), as described herein, because the actions will not have the potential for causing a significant effect on the environment.
2. Adopt and instruct the Chair to sign, upon presentation, a Resolution that will support a State Enterprise Zone application to the California Department of Housing and Community Development (HCD), designating unincorporated Florence-Firestone and/or Willowbrook as a State Enterprise Zone.
3. Authorize the Executive Director of the Community Development Commission (Commission) to submit to HCD a State Enterprise Zone application and to prepare a Letter of Commitment identifying specific commitments, such as staff

time and programmatic support, which the Commission will make to the proposed State Enterprise Zone; and authorize the Executive Director to prepare and submit all other documents related to the State Enterprise Zone application.

4. Authorize the Executive Director of the Commission to execute a Memorandum of Understanding (MOU) with HCD to establish the State Enterprise Zone, if selected for designation; and authorize the Executive Director to prepare, execute, or submit any other documents necessary for establishment of the State Enterprise Zone.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to terminate the existing Contract between the Commission and the consulting team of Tassa Consulting Group, LLC and Snodgrass & Micheli, LLC for State Enterprise Zone application services and replace this consulting team with JFA to complete the work.

This action will also authorize the Commission to submit to HCD a State Enterprise Zone application and other documents, as required under HCD's application guidelines.

FISCAL IMPACT/FINANCING:

The Contract will be funded with \$114,259 in Economic Development Funds allocated to the Second Supervisorial District, which is included in the Commission's fiscal year 2007-2008 budget. A contingency, in the amount of \$15,000, is being set aside for any needed, unforeseen services using the same source of funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

Later this year, HCD will issue a request for applications for State Enterprise Zone designation to replace a minimum of four expiring Enterprise Zones. New State Enterprise Zones will be selected through a competitive process based on a variety of required components. The four top scoring applications will receive conditional designation.

In anticipation of HCD's request for applications, on February 19, 2008 your Board approved a \$120,000 Contract between the Commission and the consulting team of Tassa Consulting Group, LLC and Snodgrass & Micheli, LLC for State Enterprise Zone application services. Under the Contract, the Consultant was to provide State Enterprise Zone application services for the unincorporated Florence-Firestone and/or Willowbrook areas. These services were to include identification and analysis of eligible areas, development of a comprehensive economic development plan and marketing strategy and plan, a business retention, expansion and attraction plan, a job

development plan, a vouchering plan and a five-year plan with goals for businesses and targeted individuals, among other application components.

The Commission recommends terminating the Contract with Tassa Consulting Group, LLC and Snodgrass & Micheli, LLC because the firms failed to procure or maintain the insurance required under the Contract. The Contract states the following: "Failure on the part of the Contractor to procure or maintain insurance required by this Contract shall constitute a material breach of contract upon which the Commission may immediately terminate this Contract."

On August 2, 2007, in response to the Commission's request for proposals, the firms wrote: "Both firms acknowledge intent to comply with the Commission's insurance requirements." The Commission repeatedly requested that the firms provide evidence of insurance. Specifically, the Commission requested this information in writing on March 13, April 22, and May 13, 2008. The first two requests for insurance documentation went unanswered. In response to the request of May 13, 2008, Tassa Consulting Group, LLC provided evidence of General Liability insurance, but did not provide the required certification that the Commission was named as additionally insured. The professional liability insurance information submitted by the firm showed that this insurance coverage was expired. Snodgrass & Micheli, LLC did not provide insurance documentation in response to any of the Commission's requests.

On May 22, 2008, Tassa Consulting Group, LLC and Snodgrass & Micheli, LLC were directed to cease all work and notified of the Commission's intent to seek termination of the Contract.

In anticipation of replacing the terminated firms, the Commission requested that JFA submit a cost proposal to perform the State Enterprise Zone application work. JFA responded with a proposed cost of \$114,259. The Commission worked with JFA during the 2007/2008 round of State Enterprise Zone applications, winning designation for East Los Angeles as a State Enterprise zone. The Commission is recommending awarding the Contract to JFA based on the success of the East Los Angeles State Enterprise Zone application. JFA successfully worked with the Commission on a demanding and tight timeframe, and in a complicated application process in which the County of Los Angeles (County) partnered with the City of Los Angeles.

Businesses located within a State Enterprise Zone are eligible for substantial tax credits and benefits, including up to \$37,440 in tax credits over a five-year period for each qualified employee hired, tax credits for sales and use taxes paid on qualified machinery purchases, accelerated expense deductions for certain depreciable property, interest deductions for lenders on loans made to firms within a State Enterprise Zone, and other benefits.

The Commission is targeting the Florence-Firestone and Willowbrook areas for designation as a State Enterprise Zone. Preliminary research indicates that many of the neighborhoods' commercial and industrial areas will qualify under HCD's criteria, although the full extent of eligibility will be identified and refined through the application process.

If the State Enterprise Zone application is successful, HCD will grant final State Enterprise Zone designation through execution of an MOU. As part of the application process, HCD requires that your Board adopt a Resolution designating the application area as "depressed" and authorizing the Commission to submit the State Enterprise Zone application. This Resolution will be presented to your Board at a later date, once the State Enterprise Zone application area is established. The Commission is also required to submit a Letter of Commitment identifying specific commitments, such as staff time and programmatic support that the Commission will make to the proposed State Enterprise Zone.

Should JFA require additional or replacement personnel during the term of the Contract, it will give consideration for any such employment openings to participants in the County Department of Public Social Services' Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program who meet the minimum qualifications for the open positions. JFA will contact the County's GAIN/GROW Division for a list of participants by job category.

JFA has provided the Commission with evidence of all insurance required under the Contract.

The Commission will determine in the near future if a partnership opportunity again exists with the City of Los Angeles for a State Enterprise Zone that spans unincorporated County and incorporated City areas. If a partnership is deemed advantageous to the County and increases the competitiveness of an application, the Commission will again team with the City of Los Angeles for this application round.

The Contract between the Commission and JFA has been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION:

This action is not subject to the provisions of CEQA pursuant to State CEQA Guidelines 15060(c)(3) and 15378 because it is not defined as a project under CEQA and does not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS:

On July 18, 2007, the Commission issued a Request for Proposals (RFP) to identify a consultant to provide Enterprise Zone application services. An advertisement appeared in one newspaper and on the County WebVen website. In addition, the RFP notice was sent to seven vendors that are known to specialize in Enterprise Zone application services.

On August 3, 2007, proposals were received from JFA and the consulting team of Tassa Consulting Group, LLC and Snodgrass & Micheli, LLC.

On August 15, 2007, a panel consisting of Commission staff familiar with the project evaluated the proposals and recommended that both firms be awarded separate contracts for State Enterprise Zone application services of 200712008 and 200812009. On September 13, 2007, JFA was awarded a contract for the East Los Angeles Enterprise Zone application. On February 19, 2008, the team of Tassa Consulting Group, LLC and Snodgrass & Micheli, LLC was awarded a contract for the South County Enterprise Zone application.

The Commission's contracting staff has determined that this RFP process allows for the award of a contract to JFA, based on JFA's response to the initial RFP and past successful work.

IMPACT ON CURRENT PROGRAM:

Terminating the Contract with Tassa Consulting Group, LLC and Snodgrass & Micheli, LLC for lack of the required insurance will remove the liability to which the Commission is currently exposed. Awarding the Contract to JFA will allow for the submission of an Enterprise Zone application to HCD, with the goal of establishing unincorporated Florence-Firestone and Willowbrook as a State Enterprise Zone, providing State tax benefits to businesses located in the zone and provide job opportunities to area residents.

Respectfully submitted,

for CARLOS JACKSON
Executive Director

For purposes of this paragraph, the Commission consent shall require a written amendment to the Contract, which is formally approved and executed by the parties. Any payments by the Commission to any approved delegate or assignee on any claim under the Contract shall be deductible, at the Commission's sole discretion, against the claims, which the Contractor may have against the Commission. However, the Commission reserves the right to assign this Contract to another public agency without the consent of the Contractor.

Shareholders, partners, members, or other equity holders of the Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is affected in such a way as to give majority control of the Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of the Commission in accordance with applicable provisions of this Contract.

Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without the Commission's express prior written approval, shall be a material breach of the Contract which may result in the termination of the Contract. In the event of such termination, the Commission shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8. CONFIDENTIALITY OF REPORTS

The Contractor shall keep confidential all reports, information and data received, prepared or assembled pursuant to performance hereunder. Such information shall not be made available to any person, firm, corporation or entity without the prior written consent of the Commission.

Such insurance shall be secured from carriers admitted in California, or authorized to do business in California. Such carriers shall be in good standing with the California Secretary of State's Office and the California Department of Insurance. In the event such insurance does provide for deductibles or self-insurance, the Contractor agrees that it will defend, indemnify and hold harmless the Commission, its elected and appointed officers, officials, representatives, employees, and agents in the same manner as they would have been defended, indemnified and

held harmless if full coverage under any applicable policy had been in effect. Each such certificate shall stipulate that the Commission be given at least thirty (30) days' written notice in advance of any cancellation or any reduction in limit(s) for any policy of insurance required herein.

Failure on the part of Contractor, and/or any entities with which the Contractor contracts, to procure or maintain the insurance coverage required herein may, upon the Commission's sole discretion, constitute a material breach of this Contract pursuant to which the Commission's Executive Director may immediately terminate this Contract and exercise all other rights and remedies set forth herein, at its sole and absolute discretion, and without waiving such default or limiting the rights or remedies of the Commission, procure or renew such insurance and pay any and all premiums in connection therewith and all monies so paid by the Commission shall be immediately repaid by the Contractor to the Commission upon demand including interest thereon at the default rate. In the event of such a breach, the Commission shall have the right, at its sole election, to participate in and control any insurance claim, adjustment, or dispute with the insurance carrier. The Contractor's failure to assert or delay in asserting any claim shall not diminish or impair the Commission's rights against the Contractor or the insurance carrier.

29. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT

The Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

30. USE OF RECYCLED-CONTENT PAPER PRODUCTS

31. CONTRACTOR RESPONSIBILITY AND DEBARMENT

- A. A responsible contractor is a contractor, consultant, vendor, or operating agency who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the policy of the Commission, Housing Authority, and County to conduct business only with responsible contractors.
- B. - E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. This hearing shall be conducted and the request for

review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment Hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

- I. These terms shall also apply to subcontractors and subconsultants of County, Commission, or Housing Authority contractors, consultants, vendors and operating agencies.

32. COMPLIANCE WITH JURY SERVICE PROGRAM

- A. The provisions of this Section shall be inserted into any such subcontract Contract and a copy of the Jury Service Program shall be attached to the Contract.
- C. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and

Contractor shall immediately notify Commission if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The Commission may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the Commission's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

- D. The Contractor's violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material breach, Commission may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future Commission contracts for a period of time consistent with the seriousness of the breach.

33. ACCESS AND RETENTION OF RECORDS

The Contractor shall provide access to the Commission, the Federal Grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers and records of the Contractor which are directly pertinent to this Contract for the purpose of making audits, examinations, excerpts and transcriptions.

34. CONFLICT OF INTEREST

The Contractor represents, warrants and agrees that to the best of its knowledge, it does not presently have, nor will it acquire during the term of this Contract, any interest direct or indirect, by contract, employment or otherwise, or as a partner, joint venture or shareholder (other than as a shareholder holding a one percent (1%) or less interest in publicly traded companies) or affiliate with any business or business entity that has entered into any contract, subcontract or arrangement with the Commission. Upon execution of this Contract and during its term, as appropriate, the Contractor shall, disclose in writing to the Commission any other contract or employment during the term of this Contract by any other persons, business or corporation in which employment will or may likely develop a conflict of interest between the Commission's interest and the interests of the third parties.

35. SEVERABILITY

In the event that any provision herein is held to be invalid, void, or illegal by any court of competent jurisdiction, the same shall be deemed severable from the

remainder of this Agreement and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

36. INTERPRETATION

No provision of this Contract is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Contract is to be construed as if drafted by both parties hereto.

37. WAIVER

No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision shall not be deemed to be a waiver of any breach of the same or any other provision hereof.

38. PATENT RIGHTS

The Commission will hold all the patent rights with respect to any discovery or invention, which arises or is developed in the course of, or under this Contract.

39. COPYRIGHT

No report, maps, or other documents produced in whole or in part under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. All such documents become the property of the Commission and the Commission holds all the rights to said data.

40. NOTICES

The Commission shall provide the Contractor with notice of any injury or damage arising from or connected with services rendered pursuant to this Contract to the extent that Commission has actual knowledge of such injury or damage. The Commission shall provide such notice within ten (10) days of receiving actual knowledge of such injury or damage.

By requiring Contractors to complete the Charitable Contributions Certification as included in *Attachment C – Required Contract Forms*, the Commission seeks to ensure that all Commission contractors that receive or raise charitable contributions comply with California law in order to protect the Commission and its taxpayers. Statement of Work

3.0 TASK IDENTIFICATION

Each task in this section is taken from HCD's 2006/2007 Application Guidebook. As of the date of execution of this Contract, HCD has not released the 2007/2008 guidebook; therefore, the Contract tasks are considered the best approximation of what will be required for this Application work. If, upon release, the 2007/2008 Guidebook includes any task(s) not listed in this section or removes any task(s) outlined below, this Statement of Work shall be amended to incorporate the new task(s), or delete unnecessary task(s).

3.1 TASK 1: PARTICIPANT CONTACT IDENTIFICATION

The initial section of the application requires identification of the primary and secondary points of contact as well as identification of the Enterprise Zone manager and vouchering agent. The Consultant will work with the Commission to develop an Enterprise Zone management program and identify the zone manager and vouchering agent. Also required in this task is the identification of the state Assembly, state Senate and U.S. Representatives whose districts will be within the proposed zone.

Deliverable: The Consultant will obtain the points of contact for the County, identify the zone manager and vouchering agent and the names of the affected state and federal legislators and develop an Enterprise Zone management program. The Consultant will insert the completed forms into the application package.

3.2 TASKS 2 & 3: ELIGIBILITY ANALYSIS & BOUNDARY CONFORMITY

Designation as an Enterprise Zone requires an eligible geographic area to be identified. The Consultant will work with the Commission to designate the specific geographic layout of the zone. The Consultant will collect U.S. Census Bureau data and identify eligible census tracts and/or block groups in accordance with eligibility requirements and methodologies set forth by HCD. Commission Geographic Information Systems (GIS) resources will be used to prepare the required zone maps and generate the required legal description and street/address list. The Consultant will ensure that the legal description, street/address list and zone maps generated by the Commission meet HCD's requirements.

Deliverable: The Consultant will provide a list of eligible census tracts and block groups, which will be used by the Commission to produce GIS maps and the legal description and street/address lists.

Statement of Work

3.3 TASK 4: BOARD OF SUPERVISORS RESOLUTION & OTHER BOARD ACTIONS

The creation of an Enterprise Zone requires that the County Board of Supervisors (Board) adopt a resolution authorizing participation in the Enterprise Zone program. The Board may also adopt a Letter of Commitment by resolution or minute order, or delegate this authority to the Commission. Furthermore, the Board may adopt a Memorandum of Understanding between all affected entities, including municipalities, vouchering agents, and outside marketing organizations.

The Consultant will develop drafts of the application Resolution, the Letter of Commitment, and the application Memorandum of Understanding. The Consultant will also work with outside organizations (such as local chambers of commerce) to secure letters of support for the application.

Deliverable: The Consultant will prepare draft resolutions and/or MOUs for approval by the County Board of Supervisors. The Consultant will also draft letters of commitment for approval by participating organizations. The Consultant will work with outside organizations to secure letters of support for the Enterprise Zone.

3.4 TASK 5: ECONOMIC DEVELOPMENT & MARKETING PLAN

The bulk of the Enterprise Zone application traditionally has been the Economic Development and Marketing Plan. The Enterprise Zone application sets forth eight main components of the Economic Development & Marketing Plan:

3.4.1. Marketing Strategy and Plan

The Marketing Strategy & Plan discusses marketing of the zone to both existing businesses and businesses interested in locating within the zone. The Consultant shall prepare this section in close consultation with organizations that promote economic development in the region, especially local chambers of commerce and business development organizations. This is the Enterprise Zone application section in which the most points are typically at stake. The application shall highlight any existing marketing successes and plans and include a discussion of how the plan addresses the unique socioeconomic distress factors identified in the eligibility criteria analysis.

3.4.2. Available Property & Businesses

The Available Property section requires collection of data about vacant industrial and commercial buildings and parcels within the proposed zone. The Consultant shall work with appropriate stakeholders and real estate experts to complete this section.

Statement of Work

3.4.3. Financing Programs

The Financing Program section requires data collection from various financial institutions. The Consultant will complete this section based on its previous work with economic development organizations and finance entities in California.

3.4.4. Job Development, Vouchering Plan and Vouchering Fee Remittance Plan

In the Job Development, Vouchering Plan and Vouchering Fee Remittance Plan sections, the application will discuss how the County and other job development entities currently interact and should discuss any ongoing programs and achievements in business expansion, attraction, and retention. The Consultant shall work with the County and appropriate agencies to obtain the information for development of these plans.

3.4.5. Planning and Local Incentives

The Planning and Local Incentives section will discuss what has been done to encourage industrial and commercial businesses to locate or expand in the zone. The Consultant shall complete this section by working with Commission and County representatives to identify all available success stories and incentive programs.

3.4.6. Unemployment and Area Income Levels

The Unemployment/Area Income section requires the use of County-wide unemployment rate data. The Consultant shall compile and process all necessary data and calculate the unemployment rates in this section and in the Bonus Point section.

3.4.7. Enterprise Zone Program Management Information

The Enterprise Zone Program Management Information section requires a presentation of zone governance. The Consultant shall closely consult with the Commission to prepare this section.

3.4.8. Infrastructure and Capital Improvement Plan

The Infrastructure section calls for analysis of the water, sewer, storm drain, and other physical infrastructure that serve the proposed zone. The Consultant shall consult Commission and County staff to gather information related to capital improvement projects. These documents will be analyzed and the Consultant will highlight key descriptors in this section. The Consultant will also consult with the Southern California Association of Governments (SCAG) to obtain data from the Regional Transportation Plan about upcoming projects that benefit the proposed Enterprise Zone.

Statement of Work

HCD has placed added emphasis on self-evaluation and benchmarking of zone activities by zone management. The Consultant shall work with Commission staff and participating organizations to identify and/or establish a clear set of goals and performance measurement mechanisms to meet this requirement.

The Consultant will work closely with local economic development and job development organizations, such as the Chambers of Commerce, WIBs, and County departments for information required in this section. The Consultant shall then assimilate the raw information into comprehensive and convincing narratives. Also, as previously stated, Enterprise Zone Applications require detailed performance measures, including quantifiable job development, business retention, attraction, and expansion goals. The Consultant shall work closely with Commission staff to develop realistic goals for these sections.

Deliverable: The Consultant will perform the above tasks and deliver drafts of each section of the Economic Development & Marketing Plan for review and comment as soon as they are complete.

3.5 TASK 6: BONUS STATEMENT

The Enterprise Zone application scoring process provides bonus points for applicants meeting extraordinary economic distress criteria. This has included: (1) the percent of the population in the proposed Enterprise Zone living below the poverty level and (2) the percent unemployed persons in the proposed Enterprise Zone compared to state levels. In addition, applicants have been encouraged to provide additional information on unique distress factors specific to the applicant communities. The Consultant will develop all of the required statistical information to qualify for the bonus points. The Consultant will work with the Commission to further describe extraordinary factors that could provide additional bonus points. Factors might include public safety issues such as gang-related problems, or high crime rates.

Deliverable: The Consultant shall complete the Bonus Point section of the application, including presentation of statistical data on poverty levels and unemployment, and provide a qualitative discussion of the prospective Enterprise Zone's unique distress factors.

Statement of Work

3.6 TASK 7: COMPLETED ENTERPRISE ZONE APPLICATION

This task is the final review and check of the application to ensure that not only is all information included in the proper form, but also that no additional beneficial information is left out. Once the final application is approved by the Commission, the Consultant will copy, scan and burn the application onto a CD ROM. The Consultant will provide the final application to the Commission in Microsoft Word format.

Deliverable: The Consultant shall deliver to the Commission the final electronic version of the application in Microsoft Word format. In addition the Consultant will copy, scan and burn the application onto a CD ROM and hand-deliver the required number of copies of the application, in hardcopy and electronic format, to HCD by the application deadline.

3.7 TASK 8: REMEDY TECHNICAL DEFICIENCIES IDENTIFIED BY HCD

After delivery of the final Application, the Consultant will provide support to the Commission in addressing any comments and concerns identified by HCD in the Initial Technical Review Phase.

Deliverable: The Consultant shall provide technical support after application submission to address HCD's comments, if any, from the Initial Technical Review Phase.

3.8 TASK 9: CONDITIONAL AND FINAL DESIGNATION

After receipt of Conditional Designation from HCD, the Consultant will assist in meeting the requisite conditions to achieve Final Designation and the signing of the Memorandum of Understanding with the State of California.

Deliverable: The Consultant shall provide support after receipt of Conditional Designation so the County can achieve Final Designation. This includes assistance with identifying the Targeted Employment Area and the signing of the final Memorandum of Understanding with the State of California.

- ☐ My business is a small business as defined in the Program. "Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- ☐ My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

Part II - Certification of Compliance

- ☒ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

- Claim exemption from backup withholding if you are a U.S. exempt payee.

Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Foreign person. If you are a foreign person, use the appropriate Form W-8 (see **Pub. 515**, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

- The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
- The treaty article addressing the income.
- The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
- The type and amount of income that qualifies for the exemption from tax.
- Sufficient facts to justify the exemption from tax under the terms of the treaty article.

REQUIRED CONTRACT NOTICES

BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fundraising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A bidder/proposer on Commission and/or Housing Authority contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following resource references are offered to assist bidders/proposers who engage in charitable contributions activities, however, each bidder/proposer is responsible to research and determine its own legal obligations and properly complete the Charitable Contributions Certification form.

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://caag.state.ca.us/>, contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: <http://caag.state.ca.us/charities/statutes.htm>.

2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the *Center for Nonprofit Management*, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 <http://www.cnmsocal.org/>, and statewide, the *California Association of Nonprofits*, <http://www.canonprofits.org/>. Both organizations' websites offer information about how to establish and manage a charitable organization.

The above information, including the organizations listed, is for informational purposes only. Nothing contained in this sub-section shall be construed as an endorsement by the Commission of such organizations.

Notice 1015

(Rev. December 2004)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers. What's New. Workers cannot claim the EIC if their 2004 investment income (such as interest and dividends) is over \$2,650.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate. Note. You are encouraged to notify each employee whose wages for 2004 are less than \$35,458 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2005.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS website at www.irs.gov.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2004 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2004 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2004 and owes no tax but is eligible for a credit of \$791, he or she must file a 2004 tax return to get the \$791 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2005 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
